Boston Medical Center Health System Unveils New Names for Good Samaritan and St. Elizabeth's Medical Centers

The shared brand identity will help patients easily recognize and access trusted, clinically excellent care across BMC Health System hospitals.

Boston Medical Center Health System is proud to announce the renaming of two of its hospitals, as the system advances its vision of high-quality, accessible, and sustainable healthcare in the region.

Good Samaritan Medical Center in Brockton is now Boston Medical Center

– South (BMC South) and St. Elizabeth's Medical Center in Brighton is now Boston Medical Center – Brighton (BMC Brighton). St. Elizabeth's and Good Samaritan's associated offsite physician practices will transition to BMC Health.

"Our vision for a unified health system, rooted in expert care and access for our communities, is steadily taking shape," said Alastair Bell, MD, MBA, President & CEO of BMC Health System. "We are creating a shared identity across all of our hospitals that stands for clinical excellence, trust, accessibility, and compassionate patient care."

Consistent branding across BMC Health

System hospitals ensures patients know they will receive high-quality, equity-led care. BMC Health System gathered input from patients, employees, and community members to help shape the new names.

"We're honored to work alongside our system hospitals who are also devoted to mission-driven care. Bringing our hospitals under one brand sends a strong signal about that shared commitment," said Paul C. Smith, President of BMC Brighton. "We look forward to building on our more than 100-year legacy in Brighton as the foundation of an even brighter future."

"Today is a proud day for our hospital as we take this next integration step into BMC Health System," said Matthew Hesketh, President of BMC South. "We are incredibly proud of our long history in Brockton and look forward to expanding patient care access to more than 20 other communities along the Route 24 corridor."

Over the next weeks and months, the new names and logos will be incorporated into digital and physical touch points across BMC Brighton, BMC South, and associated BMC Health practice locations.

BMC Health System assumed operations of the two hospitals on October 1, 2024.

Brockton Unveils State-of-the-Art Public Safety Building, Strengthening Community and Services

The ribbon is cut on Brockton's new public safety building on Warren Avenue in downtown Brockton on Thursday, Oct. 9, 2025. Front row, from left, Brockton Police Chief Brenda Pérez, Fire Chief Brian Nardelli, U.S. Rep. Stephen F. Lynch, Mayor Robert Sullivan, Sullivan's Chief of Staff Sydné Marrow and former Mayor Linda M. Balzotti. Behind them are City Councilor Jack Lally, State Rep. Bridget Plouffe, School Committee members Claudio Gomes and Tony Rodrigues and City Councilor-at-large Jean Bradley Derenoncourt. Mark Jarret Chavous/ The Enterprise

Brockton's new \$150 million Public Safety Building on Warren Avenue represents a significant step forward for the city and its residents. This modern, state-of-the-art facility unites the Police, Fire, Emergency Management, and IT departments under one roof, replacing aging, separate stations with a collaborative, efficient hub. Designed with advanced technology, shared dispatch and administrative spaces, and energy-efficient features, the building allows for faster, more coordinated emergency response while

streamlining operations. The phased move-in ensures a smooth transition, minimizing disruption to services. Beyond functionality, the building serves as a symbol of Brockton's commitment to community safety and resilience, fostering public trust and engagement. Its presence also frees up older sites for future development, contributing to broader neighborhood improvement. By investing in infrastructure that supports both first responders and the community, Brockton is not only enhancing public safety but also reinforcing a vision of growth, progress, and shared well-being in Brockton #WhereBetterBegins.
